

Influence Technology–ACT

The Agents Council for Technology encourages the independent agency system to implement consistent and innovative workflows. Be part of a forum of agents, carriers, and vendors working together to create best practices and help the industry implement consistent technology.

Benefits of Joining ACT

- Influence industry-wide change by sharing your vision and experience
- Work alongside industry experts
- Expand your network of industry thought leaders
- Gain insights into the industry's strategic direction

How can you get involved?

Volunteer for a virtual workgroup:

- Security
- Future Issues
- Changing Nature of Risk
- Customer Experience
- E-Signature
- Small Commercial Lines Rating

Attend an ACT Meeting

March 22-23, 2017
Nashville, Tennessee
September 7, 2017
Chicago, Illinois
